I’ve uttered it thousands of times; I’m confident you have too. Like when the phone rings and the bad news starts to spill and all you can do is say, <i>Father . . . Father . . . Father</i>, your heart crying out to God. It’s a beautiful expression of prayer, rising from the deep places in us, often unbidden, always welcome to his loving ears.” - John Eldredge, <i>Moving Mountains</i></p>

<p><b>IN OTHER NEWS...</b></p> <p>Heat on, heat off, heat on, heat off, <i>heat on!</i> We had an issue with the heat over the weekend but it is working again now. This time it was just simply an internal setting that was wrong, not a mechanical problem. That should be the end of our troubles this winter.
