And opens up staggering opportunities for prayer. Because one of the most crippling convictions held by believers today is that idea that everything that happens is the will of God. It is a poisonous belief that will destroy your confidence in God; you will end up believing terrible things about him. PRAYER

*Mighty God, strong, loving, and wise,
help us to depend upon your goodness
and to place our trust in your Son.*

IN OTHER NEWS...

We could really use some adult helpers for VBS this year. We especially need a craft leader but we have other needs as well. VBS is June 25-28, in the evenings. Please contact Lori.

Construction, construction ... the new windows have been installed everywhere except the dining room! ... the pipes for the organ facade are being installed! ... lots of work has been done on the new lighting and drop ceiling in the education wing!

Evidently the scorekeeper for Bill's Bombers (yours truly) has a poor memory and inaccurately stated last week that we had a better winning average than we did. Last night's games didn't go so well either (we still need more women!!!). We're now at 2 wins and 5 losses. But we appreciate our fans!!!

There will not be a *Living Stones* next week. Bill will be on vacation.

WHAT'S FOR DINNER?

Wednesday Night Dinner will resume in the fall
